

MUTANT[®]

Leave Humanity Behind!

AVAILABLE IN 2 SIZES:

400 CAPSULES

200 CAPSULES

BCAA CAPS

PROTEIN SYNTHESIS SUPPLEMENT

100% FREE FORM
BCAAs IN ULTRA-FAST
CAPSULE DELIVERY[†]

TOTAL BCAA FORMULA
TO HELP DRIVE
PROTEIN SYNTHESIS[†]

RESEARCH PROVEN
INGREDIENTS TO
CONTRIBUTE MUSCLE
GROWTH[†]

Supplement Facts

Serving Size 4 Capsules
Servings Per Container 50

	Amount Per Serving	% DV*
Magnesium	57mg	14%
MUTANT BCAA CAPS (2:1:1)	2000mg	**
L-Leucine	1000mg	**
L-Valine	500mg	**
L-Isoleucine	500mg	**
8 Electrolyte Blend	131mg	**
Magnesium Oxide, Potassium Citrate, Sodium Citrate, Tricalcium Phosphate, Calcium Lactate, Sodium Bicarbonate, Calcium Citrate, Sodium Chloride		
Absorption Agent – BioPerine®	2.5mg	**
(Piper nigrum) (Fruit) (95% Piperine)		

* Percent Daily Values are based on a 2,000 calorie diet.
** Daily Value (DV) not established.

OTHER INGREDIENTS: Capsule (Gelatin, Purified Water), Silicon Dioxide, Magnesium Stearate, Microcrystalline Cellulose.

FOOD ALLERGY INFORMATION: Produced on machinery that also handles ingredients from milk, soy, egg, fish, glucosamine (from crustacean shellfish), tree nuts, wheat, peanut, and sulfites – this product may inadvertently contain any of those ingredients.

RECOMMENDED USE: As a dietary supplement, take 4 capsules with 8-16 fluid ounces (240-500 mL) of cold water; consume during exercise on training days, or throughout the day on non-training days.†

†**MUTANT RESEARCH NOTES:** BCAAs (Branched-Chain Amino Acids) are essential amino acids that help make up protein. BCAAs help contribute to protein synthesis and muscle growth. The added magnesium helps contribute to normal protein synthesis. (Norton et al. 2006; Kimball et al. 2001; Wester 1987; EFSA 2009).†

WARNINGS: Read the entire label before use and follow directions carefully; this product may not be right for you. **STORE OUT OF REACH OF YOUNG CHILDREN.** For adult use only. Dietary supplements are intended to supplement the diet and should not be used as a substitute for a varied diet. Do not exceed recommended serving. Use only as directed at your own risk. For occasional use only. Consult a physician prior to use if you have a liver or kidney disorder, if you are taking any medication, before starting any diet or exercise program and/or if you have any concerns about using this product. **DO NOT USE IF PACKAGING HAS BEEN TAMPERED WITH. STORE IN A COOL, DRY PLACE. CONTAINS A DESICCANT PACKET FOR FRESHNESS – DO NOT CONSUME PACKET.**†

BEYOND JUST NORMAL BCAAS

MUTANT® listens to you, our MUTANT Nation of loyal fans. A growing number of you have raved about our **MUTANT BCAA powder (MUTANT BCAA 9.7)** and many of you demanded an even more convenient delivery method – so here it is, all new **MUTANT BCAA CAPS**. Throw a bottle in your gym bag and you'll never have to worry about missing your BCAA dose when you're on the go. **MUTANT BCAA CAPS** deliver 2000mg of 100% free form BCAAs per dose in the preferred 2:1:1 ratio. Plus we've kept intact the vital mineral electrolytes and the patented absorption agent BioPerine® that we also use in our **MUTANT BCAA 9.7** powder.†

BCAAS – THE REALLY ESSENTIAL AMINOS

BCAAs are the 3 amino acids L-Leucine, L-Isoleucine and L-Valine – they make up about 40% of the free essential amino acids in blood plasma. Branched chain amino acids (BCAA's) are so named because of their unique branched chemical structure. BCAAs are essential amino acids - the body cannot make them from other compounds, and they are integral for regulating protein synthesis. BCAAs have been investigated for their potential anti-catabolic (preventing muscle breakdown) and anabolic (muscle building) effects. BCAAs are widely regarded as a cornerstone supplement for building muscle.†

GO BEYOND

- Our formula targets the body with the preferred 2:1:1 ratio of the 3 BCAAs†
- Adds a unique 8 Electrolyte Blend to help with hydration (magnesium oxide, potassium citrate, sodium citrate, tricalcium phosphate, calcium citrate, sodium bicarbonate, calcium lactate, sodium chloride)
- Fortified with BioPerine® the patented absorption agent†
- Served up in ultra-fast capsule delivery†
