COMPLETE+ EAA FORMULA (ESSENTIAL AMINO ACIDS)

BETTER THAN BCAAS ALONE*

*Studies show 52% better MPS (muscle protein synthesis) with EAA as compared to BCAAs alone. Other studies show EAA is 223% more potent than whey protein for MPS. References: ¹Wilkinson et. al. 2017. ²Bukhari et. al. 2015. ³Jackman et. al. 2017.
