PURE IMMUNO-C™

- ▲ High Potency Vitamin C
- ▲ Powerful antioxidant activity
- ▲ ZERO binders, fillers, colors or flavors
- ▲ Convenient to use & rapidly absorbed
- ▲ Supports healthy immunity
- ▲ Neutralizes free radicals

Vitamin C is the most well-known and researched water-soluble antioxidant in use today. Antioxidant nutrients provide an essential boost needed for a healthy immune system. As one of the most potent antioxidants, Vitamin C helps neutralize the harmful effects of free radicals, and also supports production and repair of collagen and connective tissue. NCN Vitamin C is a responsibly priced, convenient offering to consumers looking for the right product during these times.

SUGGESTED USE:

As a dietary supplement mix 1 serving in 6-8 fl oz (180-240 mL) of water or juice, twice a day.
